Research Interests

Psycholinguistics; Neurolinguistics; Language acquisition and processing

Education

University of Kansas, Lawrence, KS, USA

Jan. 2021 – July 2026

Ph.D. in Linguistics

Dissertation project: *Temporal dynamics of argument-verb computations in Turkish sentence processing: Evidence from Event-related potentials*

Master's research project: *Sensitivity to animacy information in processing subject-verb agreement dependencies in Turkish*

Boğaziçi University, Istanbul, Turkey

Sept. 2015 – Aug. 2018

M.A. in English Language Education

Master's thesis: *Processing reflexives in the L2: Evidence from eye-tracking*

Boğaziçi University, Istanbul, Turkey

Sept. 2010 – June 2015

B.A. in Foreign Language Education; Minor in Linguistics

Universitat de València, Valencia, Spain

Jan. 2014 – June 2014

Erasmus study period, Department of Primary Education

Michigan, USA. [Oral presentation]

Ozturhan, M., & Deniz, N. D. (August 2019). Processing of English reflexives by Turkish speakers: An eye-tracking study. *29th EuroSLA Conference*. Lund University, Lund, Sweden. [Oral presentation]

Ozturhan, M., & Deniz, N. D. (March 2019). Timing of structural and non-structural information in processing of reflexives in the L2. *32nd Annual CUNY Sentence Processing Conference*. University of Colorado Boulder, Colorado, USA. [Poster presentation]

Invited Talks

Ozturhan, M. (February 2026). Temporal dynamics of argument-verb computations in Turkish sentence processing. *Lightning Talks for Colloquy Series*. University of Kansas.

Ozturhan, M. (February 2025). Linguistic and pragmatic factors affecting the comprehension of universal quantifiers in child Turkish. *Child Language Proseminar Series*. University of Kansas.

Ozturhan, M. (September 2023). The effects of animacy information on the processing of 3rd person plural agreement in L2 Turkish. *Child Language Proseminar Series*. University of Kansas.

Ozturhan, M., Bektaş, S., Bayyurt, Y., & İnal, D. (September 2019). Emergent multilingualism in the ENRICHed linguistic landscapes of major metropolitan cities in Turkey. *Boğaziçi University Sociolinguistics Research Group Lecture Series*. Boğaziçi University, Istanbul.

Teaching Experience

University of Kansas

Instructor of Record

LING 110: Language and Mind (online)

Spring 2026; Spring 2025; Summer 2022

LING/ANTH 106: Introductory Linguistics (online)

Fall 2025; Summer 2023

Teaching Assistant

LING 110: Language and Mind (in-person)

Fall 2024; Spring 2024; Spring 2022; Fall 2021; Spring 2021

Boğaziçi University

Teaching Assistant

FLED 315: Sociolinguistics and English Language Education

Spring 2020; Fall 2019; Spring 2019

BOUN 101: Tips for Academic Writing

Summer 2020; Summer 2019

Intermediate Turkish

June – August 2015

Grader

FLED 211: English Language Awareness

Fall 2017 – Fall 2020

Research Experience

Research Assistant

Examining native language variability and its effects on second language processing: An ERP investigation of referential dependencies

Aug. 2022 – Present

PIs: Alison Gabriele & Robert Fiorentino [NSF #1747143](#)

- Coordinated EEG and behavioral data collection from 180 participants across labs in the United States and Spain; standardized procedures across sites.
- Built MATLAB/EEGLAB preprocessing workflows for continuous EEG, artifact rejection, segmentation, and analysis-ready datasets.
- Integrated EEG data with a 12-task battery spanning vocabulary, proficiency, working memory, executive function, language comprehension, and behavioral measures.
- Trained and supervised undergraduate and graduate research assistants on study setup, human-subjects

ethics, EEG data collection, and data analysis workflows.

Research Assistant

Semantics and pragmatics in children's meaning comprehension

PI: Utako Minai

Mar. 2023 – Present

- Designed and ran behavioral experiments with monolingual English-speaking preschool children in kindergarten and lab settings.
- Managed in-person and online data collection, participant tracking, and data workflows.
- Supervised undergraduate and graduate research assistants supporting data collection and project logistics.

Research Assistant

Long-term morphological priming without form similarity

PI: Stephen Politzer-Ahles

Dec. 2023 – Present

- Recruited and scheduled participants and ran priming experiments.

Research Assistant

Processing negative polarity items in L1 and L2 Turkish

PI: Nazik Dinçtopal Deniz, Boğaziçi University; funded by TÜBİTAK #221K063

2022 – July 2023

- Developed stimuli for eye-tracking experiments on negative polarity item processing in Turkish.

Honors and Scholarships

Research Excellence Initiative Award, University of Kansas, College of Liberal Arts and Sciences; research incentive for applying to external funding for research (\$1,000) Apr. 2025

2025 Summer Research Scholarship, University of Kansas, Office of Graduate Studies; scholarship supporting graduate students in advancing summer research (\$6,000) Mar. 2025

Paula Menyuk Award, Boston University Conference on Language Development; travel award for first authors with top-rated abstracts at BUCLD 49 (\$385) Nov. 2024

KU Linguistics Graduate Travel Award, Department of Linguistics, University of Kansas; travel support for BUCLD 49 (\$500) Nov. 2024

University of Kansas Graduate Student Travel Fund; travel support for BUCLD 49 (\$750) Sept. 2024

GASLA-17 Travel Award, Generative Approaches to Second Language Acquisition 17; travel award (\$250) May 2024

Paula Menyuk Award, Boston University Conference on Language Development; travel award for first authors with top-rated abstracts at BUCLD 48 (\$385) Nov. 2023

KU Linguistics Graduate Travel Award, Department of Linguistics, University of Kansas; travel support for BUCLD 48 (\$500) Nov. 2023

M.A. Completion Linguistics Achievement Award, Department of Linguistics, University of Kansas; merit-based scholarship for completion of the M.A. thesis (\$2,000) Dec. 2022

Frances Ingemann Graduate Student Research Scholarship, Department of Linguistics, University of Kansas; research support for M.A. project (\$500) Oct. 2022

2224-A Travel Fellowship, The Scientific and Research Council of Turkey (TÜBİTAK); travel support for the 29th EuroSLA Conference (\$700) Nov. 2019

Student Stipend for SLRF19 Conference, Michigan State University; travel support for the 2019 Second Language Research Forum (\$1,000) Sept. 2019

2210-A National Scholarship for M.A. Students, The Scientific and Research Council of Turkey (TÜBİTAK) 2016–2017

Prof. Dr. Cem Alptekin Award, Foreign Language Education Department, Boğaziçi University; awarded to students with exemplary academic studies and activities June 2015
